

OPERATING THE WATER KIOSK

Rødbyhavn - Vestre Kaj

1

START

Start tapping water
by inserting the
key and press

ENTER

2

STOP

Stop tapping
water by
pressing

ESC

3

WAIT

Do not remove
the key until the
display shows

REMOVE
THE KEY

The key **MUST** remain inserted throughout the entire
operation of the Water Kiosk.

The key **will be damaged** if removed prior to pressing ESC or
before the message “Remove The Key” is shown on the display.
